About the project

DaoDOGE is A Community-Focused, Decentralized Cryptocurrency.
This is a Dao meme token , we are aimed to generate each of the investor's power into a strong community as a result of values token and stable development of the project

We will create a entire Ecosystem of DaoDoge with self-devleoped NFT marketplace and wallet, holders of $DDOGE can stake, mint and sell the DaoDoge NFT in our decentralized platform.

-Singapore Doxxed Team.

-Solidproof.io Audit with KYC.

-Holders of DaoDOGE will be highly involved with project decision.

-Buy-Back and burn with schedule.
